ELECTION UNDER 35 U.S.C. § 121

Mail Stop Amendment
Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the restriction requirement set forth in the Office Action mailed February 7, 2005, having a shortened statutory period for response set to expire March 7, 2005, wherein the Examiner required restriction between the following Groups:

- Group I - Claims 1-10 and 19-26, drawn to a lead frame; and
- Group II - Claims 11-18 and 27-31, drawn to a method of manufacturing a lead frame.

Applicants elect Group I, claims 1-10 and 19-26, for initial prosecution on the merits.

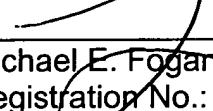

Applicants also reserve the right to file a Divisional Application for the non-elected claims 11-18 and 27-31, which the Examiner has indicated is patentably distinct.

Applicants believe that no extension of time is required. However, this conditional petition is being made to provide for the possibility that Applicants have inadvertently overlooked the need for a petition for extension of time. The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0417. A duplicate copy of this Response is enclosed for accounting purposes.

Respectfully submitted,
